Peg Copple & Associates

It's hard to believe how far we've come in just 6 years, says Peg Copple, owner/broker of Peg Copple & Associates, a full service real estate company. An active real estate agent for 26 years, Peg opened her own company with one assistant in 1997.

Today she is #1 listing agent in Marin County for 2002, and #1 Listing and Selling Agent in Sausalito. Peg attributes her success to her team's ability to provide consistent, knowledgeable, honest service to her customers.

Peg has a background in financial and real estate investment planning, and expertise in 1031 Tax Deferred and Reverse Exchanges. Peg is the co-chair of the Marin Commercial Investment Committee. Her many community involvements include: past president of the Sausalito Chamber of Commerce, Board member of Sausalito Cultural Arts Foundation, and Rotary Housing Corporation. A portion of each of Peg's commission is contributed to Senior Housing which is building 22 new units. Call Peg at 331-8611.
